Verse 1

She was more like a beauty queen from a movie scene
I said I don't mind but what do you
mean I am the one

Who will dance on the floor in the round Who will dance on the floor in the round
She says I am the one

She told me her name was Billie Jean as she caused a scene Who will dance on the floor in the round
Then every heard turned with eyes that dreamed of being the one

Pre-Chorus 1

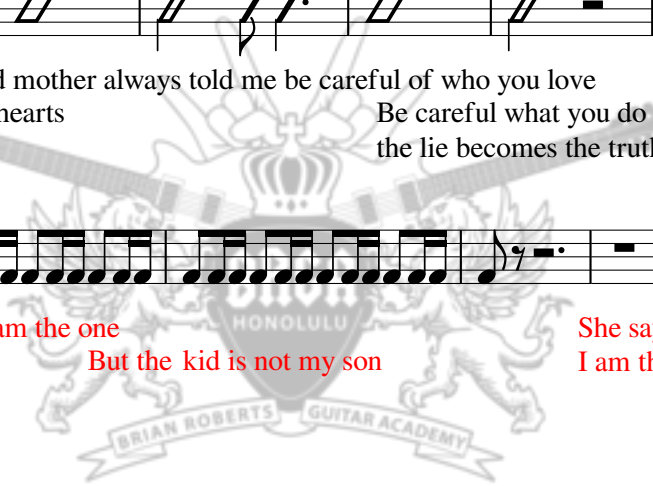

People always told me be careful of what you do And mother always told me be careful of who you love
Don't go around breaking young girls hearts Be careful what you do 'cause
the lie becomes the truth hey-e
