cool
cool

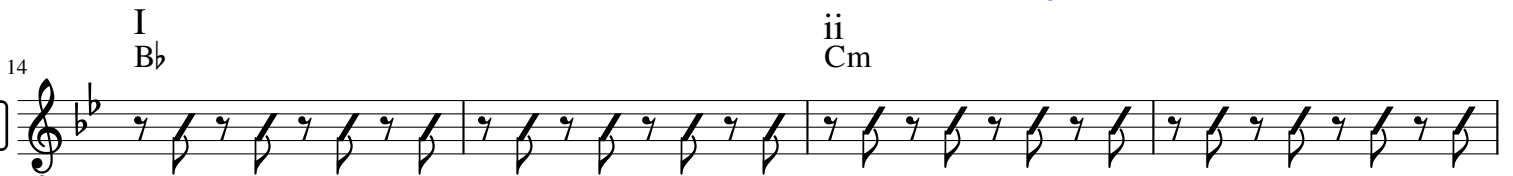

cool
cool It's another

fiery afternoon (so hot so hot) hotter than the month of June, so we should go beach now (cool down) Cool down where the waters right year

let's grab our boards and run run run run School is pau let's go now and hele out the door yeah
run to the nearest shore (let's go now)

the waves is on fire the day is getting hot This is my desire to the one to hit the spot yeah Cool down cool cool the

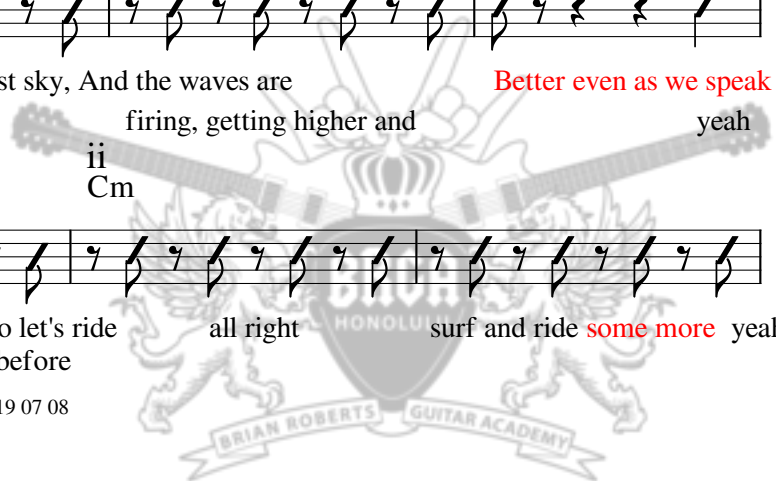

waves is on fire the day is getting hot This is my desire to the one to hit the spot yeah Cool down The water's lookin'
cool cool cool cool

nice and blue (so blue so blue) bluer than the clearest sky, And the waves are firing, getting higher and Better even as we speak yeah

Don't you melt the sun sun sun sun sun so let's ride all right surf and ride some more yeah
sun's hotter than ever before
