I remember when, I remember, I remember when I lost my mind
There was some so pleasant about that place
Even your emotions have an echo in so much space

And when you're out there, without care Yeah I was out of touch
But it wasn't because I didn't know enough
I just knew too much
Does that make me cray--

And I hope that you were having the time of your
life~~~~~ But think twice~~ That's my only advice

Come on now, who do you, Who do you, who do, who do you think you are
Ha ha ha bless your soul You really think you're in control... well I think
you're cray--
