# Total Eclipse of the Heart

by Bonnie Tyler

transcribed by Brian Roberts

♩ = 65 Solo Piano-----  
( B♭m ) ( B♭m )

Turn around Every now and then I get a little bit lonely and you never comin' 'round  
Turn around Every now and then I get a little bit tired of listenin' to the sound of my tears

Turn around Every now and then I get a little bit nervous that the best of all the years have gone by  
Turn around Every now and then I get a little bit terrified and then I see the look in your eyes

Turn around bright eyes Every now and then I fall apart  
Turn around bright eyes Every now and then I fall a-

-part, And I need you now tonight, And I need you more than ever, And if you'd only hold me tight, We'll be holding on

for-ever, And we'll only be making it right, 'Cause we'll never be wrong  
To-gether we can take it to the end of the line (All of the time)  
Your love is like a shadow on me all of the time

I don't know what to do and I'm always in the dark,  
We're living in a powder keg and giving off sparks  
forever's gonna start tonight, forever's gonna start tonight

Once upon a time I was falling in love  
Now I'm only falling apart  
There's nothing I can do, A total eclipse of the heart
