No decievin', nothin' up my sleeve and, No teasin', I need you to Get up on the dance floor, Give that man what he askin' for 'Cause I feel like bustin' loose And I feel like touchin' you, uh uh, And can't nobody stop the juice, so baby tell me what's the use? I said

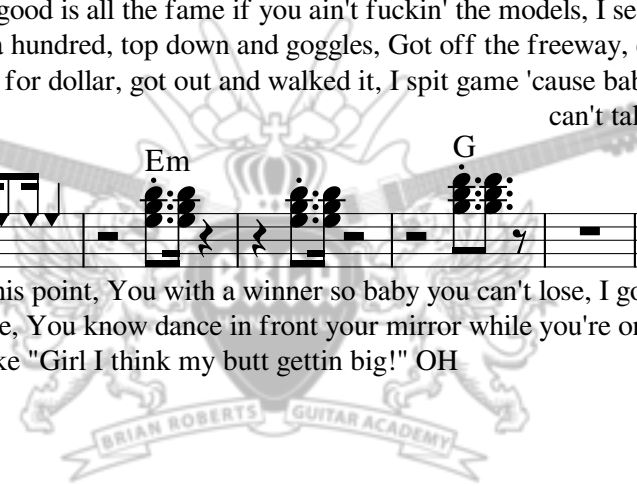

It's gettin' hot in here, So take off all your clothes (so hot) I am, Getting so hot, I want to take my clothes off (so hot) I am, Getting so hot, I want to take my clothes off (so hot) Let it all hang out

Why you at the bar if you ain't poppin' the bottles? (c'mon), What good is all the fame if you ain't fuckin' the models, I see you drivin', sports cars, ain't hittin' the throttle, And I'll be down to do a hundred, top down and goggles, Got off the freeway, exit 106 and parked it, Ash tray, flip gate, time to spark it, Gucci collar for dollar, got out and walked it, I spit game 'cause baby I can't talk it

Warm, sweatin', it's hot up in this joint, Vokal tanktop, on at this point, You with a winner so baby you can't lose, I got secrets can't leave Cancun, So take it off like you're home alone, You know dance in front your mirror while you're on the, phone, Checkin' your reflection and tellin' your best friend, Like "Girl I think my butt gettin big!" OH
