I've been told 'bout living like a star But no one ever showed me the reverse, and that really
Hotel rich, champagne and caviar hurts, baby it really hurts

They try to sell your body and your soul And no one understands it, how you
It's the price you pay for rock'n'roll feel, for it's so unreal, oh, it's so unreal

I IV V I I IV V I
E A B E E A B E

Baby, don't you cry for me, it's an illusion, just an illusion, I thought I knew what life should be, it's an illusion just an illusion

Critics crucify your latest show But then on stage I feel a fire burn
Another drink and then you lose control there is no return, I'm always on the run

IV I V I
A E B E

I give it to you babe with all my heart For it's not too late, baby, it's not too late

E A B E E A B E

Baby, don't you cry for me, it's an illusion, just an illusion, I thought I knew what life should be, it's an illusion just an illusion
