Proud Mary

by Tina Turner

transcribed by Brian Roberts

♩ = 90 1 2 3 D

You know, every now and then, you think you might like to hear something from us nice and easy

Left a good job down in the city

Working for the man every night and day

But there's just one thing, You see, We never ever do nothing nice and easy,

Why I never lost one minute of sleepin'

Worryin' 'bout the way that things might of been

We always do it nice and rough. So we're going to take the beginning of this song and do it easy.

Big wheels keep on turnin'

Proud Mary keep on burnin'

And we're Roll-

But then we're gonna do the finish, rough. This is the way we do, 'Proud Mary'

in'

Rollin'

Rollin' on a river

Listen to the story

Left a good job down in the city

Working for the man every night and day

And I never lost one minute of sleepin', and I was worryin' 'bout the way that things might of been

Big wheel keep on turning

Proud mary keep on burnin'

And we're roll-
